   1. Is there additional charge for not using the facility pharmacy? Yes  No
   2. If so, what is the cost? $100.00

V. STAFFING

A. Registered Nurse

Assisted Living and Residential Care facilities are required to have a Registered Nurse on staff or on contract. A nurse in these facilities typically does not provide hands-on personal nursing care. The nurse is usually available to provide consultation with the facility staff regarding resident health concerns.

   Number of hours per week a nurse is on-site in the facility: 8 - 24 hours
B. Direct Care and Other Staff

Facilities must have qualified, awake caregivers, sufficient in number, to meet the 24-hour scheduled and unscheduled needs of each resident. Caregivers provide services for residents that include assistance with activities of daily living, medication administration, resident-focused activities, supervision and support. Individuals whose duties are exclusively housekeeping, building maintenance, clerical/administrative or food preparation, as well as the administrator and licensed nurse, are not considered caregivers. The facility must post a current, accurate facility staffing plan in a conspicuous location for review by residents and visitors.

*Note: Assisted Living and Residential Care facilities in Oregon are not required to employ Certified Nursing Assistants (CNA) or Certified Medication Aides (CMA) as resident care staff.*

Typical staffing patterns for full-time personnel. **Note to facility:** each staff may only be shown under one title per shift (i.e., if employee provides resident care and medications assistance, show either as Universal Worker or Medication Aide.)

* A universal worker is a person who provides care and services to residents in addition to having other tasks, such as housekeeping, laundry or food services.

VI. STAFF TRAINING

Facilities must have a training program that has a method to determine caregiver performance capability through a demonstration and evaluation process.

A. Describe the facility’s training program for a new caregiving staff:

All staff initially complete orientation training that includes all mandated requirements identified in the Oregon Administrative Rule #411-054-0070. Our staff are then oriented to facility policy, guidelines and structure and then partnered with an experienced, qualified worker who begins hands on orientation and training throughout the facility.

B. Approximately how many hours of training do new caregiving staff receive prior to providing care that is not directly supervised? 22.5 - 37.5 hours depending on level of
C. How often is continuing education provided to caregiving staff? 1-2 hour per month and as needed.

VII. DISCHARGE TRANSFER

Licensed community-based care facilities may only ask a resident to move for reasons specified in applicable Oregon Administrative Rule. Oregon rules do not require that a resident be moved out of a facility due to increased medical services; however, if a facility is unable to meet a resident’s needs based on criteria disclosed in the facility’s information packet and according to the administrative rules, a resident may be given a written notice to move from the facility.

A person has the right to object to a move-out notice and can request a hearing with the Department of Human Services. If you need someone to advocate on your behalf, you may contact the Office of the Long-Term Care Ombudsman at 1-800-522-2602. Information about these rights and who to contact will be included on the move-out notification.
