Changes to Your Training Program

You must communicate all Training Program changes to the Department at TrainingApprovalTPA@dshs.wa.gov. You must inform us about any changes to your business or contact information. If your business name or facility license number changes, your current certificates are no longer valid and you must contact the Department for new certificates.

You cannot use a new instructor, new enhancements, or teach new courses until approved by the department.

Training LTC Workers Outside Your Facility

Approved instructors can only teach Long Term Care workers in your facility or corporation. To train Long Term Care workers outside of your facility or corporation, you must apply and become a DSHS contracted Community Instructor Training Program.

We appreciate your interest in offering long term care worker training.

Sincerely,

[Signature]

Lorrie Mahar, Office Chief
Training, Communications, Development and Quality Unit
